RE: Meeks Reserve, Block 11, Lot 15 replat

Members:

Please be informed that Thomas Moore has received administrative approval of a simple replat of the property known as the historic Jail and parking lot located at 27 American Legion Place. The replat encompasses all land that is encumbered with the parking lot and building, and meets zoning requirements in the DT Downtown District.

The Primary Plat received approval June 5, 1844, interestingly enough. This plat was given secondary approval by the City Plan Commission's Administrative Staff to re-plate Lot 14 and portions of Lot 9, 10, and 13, being 0.357 acres +/- into one lot to be known as Meeks Reserve Block 11, Lot 15.

The replat approval is authorized under Indiana Advisory Planning Law, I.C. 36-7-4 and Chapter **155.072** of the Greenfield Unified Development Ordinance,

Thank you.

Respectfully,

Joanie Fitzwater

Joanie Fitzwater, Planning Director
