Re: Greenfield Wastewater Utility – Lockers and Benches

Mayor and Board Members,

The lockers and benches for the new administration building were only specified to be installed by the contractor, but not purchased. After determining that these would need to be purchased by the City, I requested the attached quote for the lockers and benches from Commercial Office Environments, the vendor that was selected during the furniture RFP process. The total cost, including freight and surcharges, of the lockers and benches is \$25,296.83. The estimated lead time for delivery of these items is 6 – 8 weeks and the current timeline for the substantial completion of the administration building is late June.

At this time, I am requesting that the Board approve the quote from Commercial Office Environments for the total amount of \$25,296.83 for the purchase of the lockers and benches to be installed by FA Wilhelm as part of the WWTP Improvements Project. A copy of the quote has been included for your review. Please let me know if there are any questions or if any other information is needed at this time.

Best Regards,

A handwritten signature in blue ink, appearing to read "Nicholas Dezelan".

Nicholas Dezelan, CHMM, ASP
Wastewater Utility Manager

Cc: Gregg Morelock – City Attorney
Jane Webb – Utility Coordinator

Lyon Lockers - Greenfield Wastewater 05.09.24
