Caution! This message was sent from outside the City of Greenfield.

Chief Horning,

After much thought and consideration, I am sending you this email as my official resignation from Greenfield Fire Territory effective July 7, 2024. I have been offered a position with another department that I feel will be better for myself and my family in the future. I want to thank you for the opportunity you gave me to work alongside some of the best in the business. I have learned more than I could have ever imagined and I will always cherish the memories I have made along the way.

I want this to be as easy as a transition as possible, so if there is anything I can do to help, please let me know.

Thank you,  
Collin
