Re: Vehicle Purchase

Mayor and Board Members,

I am requesting the Board's permission to purchase a new 2024 Chevy Silverado from Penske Chevrolet in the total amount of \$47,999.75. The cost of this truck is about \$19.00 more than a similar truck a Blossom Chevrolet, but the one that Blossom does not have the snow plow prep package included. The purchase of a new truck was approved by the City Council in this year's budget.

The quotes from both dealerships have been included for your review. Please let me know if there are any questions or if any other information is needed regarding this request.

Best Regards,
