Good evening Chief,

It's with a heavy heart that I am submitting my 2 week notice and apologize for any inconvenience this may cause. I have been offered a non ems part time job closer to home with double the pay that I'm making in Greenfield. With me picking that up I will not be able to commit anytime to the department and I feel it is unfair of me to take up a spot that another person would be able to fill. I have really enjoyed my time at Greenfield and maybe one day I'll be able to make my way back. I want you to know that I appreciate everything the guys and the department have done for me, I would not be half as good as I am now without them.

I will try to get out next Friday the 21st and turn everything in and get my locker cleaned out. You are a great Chief, thank you for all you do.

Be safe out there and take care,
Jess
