Re: Take Home Vehicle

Mayor and Board Members,

I am requesting permission for AJ Humerickhouse to have a take home vehicle available to him when needed. AJ is the WWTP Foreman and frequently needs to return to the WWTP to assist with emergency operations and is also on 24 hour call for the Utility. It will also be beneficial for him to have this available during the startup of the new WWTP. Please let me know if there are any questions or if you need additional information regarding this request.

Best Regards,
