Re: Greenfield Wastewater Utility – Waterview Sanitary Sewer Lining Project

Mayor and Board Members,

American Structurepoint has recommended final payment for the Waterview Sanitary Sewer Lining Project in the total amount of \$252,177.19. This payment will close out the project and Insight Pipe Contracting, LLC will be paid in full.

At this time, I am requesting that the Board approve the recommendation from American Structurepoint for the final payment and project closeout of the Waterview Sanitary Sewer Lining Project. Please let me know if there are any questions or if any other information is needed at this time.

Best Regards,
