Re: Aluminum Sulfate – RFP Award Recommendation

Mayor and Board Members,

At the previous meeting of the Board of Public Works and Safety, we received proposals for the supply of aluminum sulfate for the WWTP. Proposals were received from PVS Chemicals, Inc., Citco Water/Bio-Chem, and Chem Trade and are summarized in the table below. There was another proposal from Brenntag that was in the Clerk-Treasurer's mailbox in the Mayor's office that was found after the meeting. This was delivered by FedEx prior to City Hall opening and was left in the entryway. The delivery time was confirmed with the tracking number and on the lobby cameras at approximately 7:15AM on October 22nd.
