Re: Opening of building generator bids for review

Mayor and Board Members,

The Water Utility requested quotes for a permanent natural gas generator for our Water Administration Building on Meek Street. These bids will be to install the generator, run conduits, and install an Automatic Transfer Switch to allow the building to continue to function with no interruptions in the event of a power outage.

The table below is provided for the Board to record the quotes amounts read from the sealed quotes received by the Clerk-Treasurer's Office.

Quote send to Vendor	Lump sum	

I wish to review the bids presented today and present my recommendation at the next scheduled Board of Public Works and Safety meeting.

Respectfully Submitted,

Charles Gill
Water Utility Manager

cc: Jane Webb, Utility Coordinator
Lori Elmore, Clerk-Treasurer
Gregg Morelock, City Attorney
