Re: Request for Proposal - North Water Tower Maintenance 2025

Mayor and Board Members,

I am requesting the Board's permission to seek bids for the supply of labor and material for the 10 year Maintenance cycle for the North Water Tower. This maintenance is a priority project to ensure that this work do not conflict with the addition of the new South Water Tower and the modification to the East Water Tower as part of the Southside Water Improvement Project.

Respectfully Submitted,
