Dear City of Greenfield

I am writing to formally announce my intention to retire from my position in the Street Department, with the City of Greenfield, effective, 04/01/2025.

I have greatly enjoyed my time with the City of Greenfield and am grateful for the opportunities I have had to grow both professionally and personally. I am willing to assist with the transition process to ensure a smooth handover of my responsibilities.

Thank you for your support and understanding.

Sincerely,
