

I, Nicole Higham, would like to respectfully resign from my position at the Greenfield Police Department today on 12/28/2023. I am grateful for my time here and all of the opportunities for growth I've been offered. However I think at this time it is appropriate for me to leave to focus on other areas of my life that are demanding my full attention at this time. I thank everyone for their lessons and help along the way, and for the memories I will leave with.

Sincerely,

Nicole Higham
