Re: USIC Contract Amendment

Mayor and Board Members,

Currently, the Electric, Water, and Wastewater departments are billed under one identification number. With the growing changes within our service territories, we have asked that USIC separate our utilities into two identification numbers. Water, Wastewater, and Storm will continue under the current ID, and Electric will be assigned a new ID. This will resolve the issue of Power and Light currently being billed for areas they do not service.

I am requesting the Board approve Amendment 1 to the current USIC Contract. I welcome any questions the Board may have on this recommendation.

Respectfully,

A handwritten signature in cursive script that reads "Jane Webb". The signature is written in black ink and is positioned above the typed name.
