Information Technology Department

August 8, 2025 BOW Agenda

To: Board of Works and Safety
Mayor Guy Titus

From: Rob Souchon – IT Manager

1. Request approval to increase the salary of Brandon Evans, in the Information Technology Technical Level II position, from \$35.70/hour to \$36.32/hour. This increase is effective August 2, 2025.
2. Request approval to enter a 36 month contract agreement with Ninestar for 1 Gig internet service at a price of \$310.00 per month. The 1 Gig connection will replace the current 150 mb connection currently billed at \$229.00 per month. This increased connection speed is required to maintain the city's ability to move information between the network on the internet.
