Greenfield, IN 46140

Re: Hydraulic Model subscription renewal

Mayor and Board Members,

Request the Board approve the renewal of the InfoWater Pro software in the amount of \$9,331.85. This is the modeling software that will assist us in operating the water system through the significant changes coming next year.

I welcome any questions the Board may have on this recommendation.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Charles Gill".

Charles Gill
Water Utility Manager
