Re: Wastewater Utility Service Truck Replacement

Mayor and Board Members,

We received 2 quotes for the replacement of one of our service trucks, one from Hare Chevrolet and the other from Kelly Chevrolet. We will be trading in the 2003 Ford F150 that is currently being used by the City Hall maintenance technician and transferring the service truck that is being replaced to City Hall. The total purchase price with the trade-in from each dealer is as follows:

Hare Chevrolet

2025 Chevrolet 2500 with Service Body:	\$62,682.25
2003 Ford F150 Trade-In:	<u>\$(3,000.00)</u>
<b>Net Purchase Price:</b>	<b>\$59,682.25</b>

Kelley Chevrolet

2025 Chevrolet 2500 with Service Body:	\$61,230.00
2003 Ford F150 Trade-In:	<u>\$(2,975.00)</u>
<b>Net Purchase Price:</b>	<b>\$58,255.00</b>

At this time, I am requesting the Board's approval of the low quote that was submitted by Kelley Chevrolet for a total net purchase price of \$58,255.00. This purchase was approved in our 2025 budget. Please let me know if there are any questions regarding this request or if any other information is needed at this time.

Best Regards,
