Dear Lori:

Congratulations on achieving the APT US&C Advanced Certified Public Funds Investment Manager (ACPFIM) Certification in July. My sincere apology for the delay in sending your award; we experienced issues with out-of-stock delivery from our vendor.

Please know it is a privilege to partner with you in providing continuing education opportunities to support your role as Clerk-Treasurer for the City of Greenfield. Your commitment in taking the next step to gain greater knowledge and understanding in investment analysis, strategy and application is a testament to your dedication to better manage the investments on behalf of your constituents.

I hope to display the enclosed plaque with great pride in recognition of this achievement.

Sincerely,

Heather Gale
